PAISLEY GALLERY

Work of local Paisley Artists

The rural community of Paisley, Oregon seems to draw or create unique artists. Every Wednesday a group meets to work and assist each other with their own form. Each creates in their own way, as they see the subject and the media.

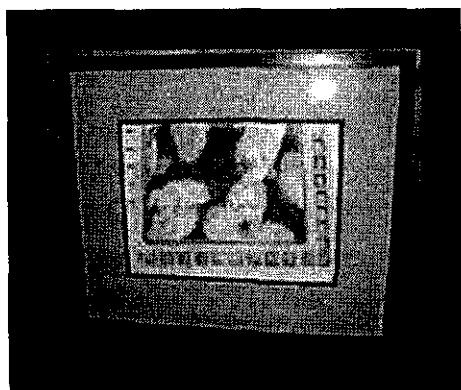

For nearly 100 years, residents of Paisley have created art that has won many awards in Lake County and the state.

We now have the Internet to share their work and to offer it for sale. Please take a few minutes to see what these fine artists have to offer.

Click on the artists name to see more of their work.

Welcome to the Home Page of...

We have recently changed ownership from the State of Oregon to Lake County. A part of that change was an expanded (4,400 X 65) paved runway and an enlarged, paved parking area, approximately 300X 200 with a huge dirt parking area attached.

The paving and expansion is completed. However, the final sealing and tie-downs must wait until September 1, 2001. Grounds attached and north of the parking area have been prepared for building hangers. That may be started soon.

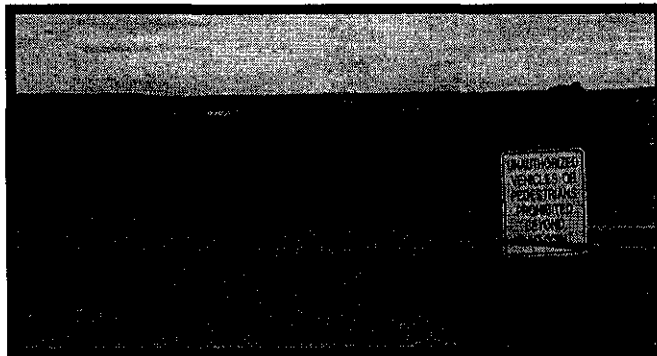

Paisley Airport is an excellent location for pilots that want to get into the "Outback" of Oregon and witness first-hand the beauty of this area. It is like roughing it smoothly, with a paved strip and the facilities of a small town only one mile away. Camp next to the runway for free and watch the colors change on the mountains as the sun sets.

If you enjoy scenic beauty, fishing, hunting, camping, hang gliding, hiking, or photography, you'll love Paisley. The Fremont Nation Forest and all of its attractions are just a few miles away. Summer Lake, and Albert Lake are all within sight from 4,000 above Paisley. Silver Lake is just over a small ridge line. Fly from Paisley up the Chewaucan River into the Fremont and discover Coffee Pot Flats and several beautiful valleys.

Inner Court Family Center (ICFC)

Phone # (541) 943-3551. FAX # (541) 943-3553. Paisley, OR 97636 USA.

Hours are 9 am to 5 pm Monday through Thursday.

The Grand Opening and Open House was a huge success.

The Inner Court Family Center actually opened back in July, before the building and its offices were completed. This event marked the full operation and the completion of the first stage in its development.

It is important to note that **ALL local workers at ICFC are non-paid volunteers**. The Director, Ronne Lindsay is paid, but by a two-year grant received from the Fred Myers Foundation, not by any local funds. The Nurse is NOT paid. The various staff members and receptionists are NOT paid. This building was donated by Lake County. The land was donated on a long-term lease. The construction of the building and landscaping was done by volunteers. The furniture and equipment was donated from several agencies and individuals. The medical supplies were donated by Saint Charles Hospital in Ben and by local individuals. A volunteer Board of Directors from various positions oversee the entire facility and programs. **This is truly a volunteer project.**

How do they survive? After all, electricity, water, sewer, telephone, and supplies are NOT free! It is done by donations, by providing services and by renting offices. For example having your blood pressure taken is absolutely free. If you would like to drop fifty cents in the donation box, would be appreciated, but certainly NOT required. If you have a fish hook removed from your body (as one resident did,) a donation would be appreciated, but again, NOT required.

◆ General Information

The 2004 theme is Paisley is a Town of Enjoyment and Friendship.

While maintaining our traditional, country festival atmosphere, ranch cowboy rodeo, and skeet shoot, for 2004 we are building on the success we had with our 2003 greatly expanded Classic Car Show & Shine. City Festival Activities and static displays, parking, and camping at the airport is FREE! Several places will offer various types of foods and drinks in the City of Paisley.

Free RV dry camping is available on a first-come basis right at the Paisley Airport. A large overflow, dirt aircraft parking area is available for camping "under-the-wing." RV camping is also available in several additional locations near the Festival. One campground is in Paisley, (reservations strongly recommended) two blocks from Main Street. It has five full-service

sites with 30 amps. Several partial service sites are also available. There are additional full service campgrounds a few miles to the north in Summer Lake and to the south on Hwy. 31. The US Forest service has many campgrounds (free) within a few miles of Paisley. Check out their web site at: [US Forest Service](#)

Classic Car Clubs are invited to participate in the Grand Parade, the Show & Shine, and compete for awards. They will join the parade at 10 am then proceed to the display area in front of the school. Judges will review them and present several awards, in a number of catagories. The cars will be on public display for most of the afternoon.

Any questions or suggestions for programming and events should be sent to this site to be given to the organizing committee, at [Festival Coordinatort](#). Or, if you would like to help, please send your name and telephone number to this site.
